## Dog Days of Summer

### Worth Brewing Adds Cream Ale to Tap Lineup

Just in time for the dog days of summer comes lowana Cream Ale, a light but flavor-packed brew made with US and German Malt and flaked corn and barley. We've brewed this beer for our friends at Mason City Brewing for years but have only served our Tangerine and Passion Fruit versions on site in the Taproom.

lowana will take its place as a year-round offering on tap. Expect a pleasant malt flavor with low hop notes in the background. Ask for a sample on your next visit.

### Feelin' Fruity

This BishopWit Belgian pale wheat beer is spiced with coriander and orange peel. Enjoy it with a slice of orange this month.

This BishopWeizen German wheat beer would be perfect by itself, or mix it up into a Summer Shandy with a touch of lemonade.

## Beehive Ballroom

Nestled above the taproom on the second floor of Worth Brewing is the Beehive Ballroom and speakeasy. This venue has been restored back to its 1896 glory with the original tin ceilings, Douglas Fir floor, stage and fixtures. We worked to keep the ballroom as original as possible and add modern amenities in order to open it for public and private events. When you reserve the Ballroom you will be able to use the entire facility to its fullest potential.

We are now accepting reservations for weddings, showers, birthdays, corporate meetings, reunions or any event where you need a beautiful venue with great beer.
