Øl Smokey

Our featured beer for March will be Øl Smokey. Intense Cherry-wood smoke in the aroma and flavor. A rich maltiness after the smoke recedes. A true German-style rauchbier. Some call it liquid bacon. 6.2% IBU: 22

Worth Brewing is old enough to vote! Ha! If Worth Brewing could vote, we'd FREE the BEER! :-) Truly, we vote that our customers are the best! None of this would be possible without all of your support!

Nikkole, Tony, Josie and Cassie all love the time spent with our regular mug club members! Peter says "I enjoy the work as much as ever as I approach 18 years. I also look forward to training the right person to lead the next 18 years." Our biggest pet peeve is the occasional beer shower when changing kegs-especially if it's a smoked beer at the beginning of the shift.

Staff favorite beers of the year have been the Boho Pilsner, Night Trip Black IPA, Cousin Eddie's Scheissebier, and Blackberry lager.

The biggest change in the past year has been the addition of our Italian pizza oven, allowing us to serve more pizzas, faster! In case you missed it, we now serve pizza every Friday & Saturday from 5-7pm. We make our own crust and sauce just for you. We have rotating specialty pizzas as well as the standard toppings to build your own.

The second big change is on the second story of our building--the opening of our AirBnB. Our offices were once apartments, so changing it to an AirBnb was a fairly simple process! Check it out on Airbnb.com by searching [Northwood Bed & Brewery 2BR Apt](#) There is a separate entry for the Airbnb with keycode so guests may come and go as they please. We look forward to more great things in 2025!
