Bock is Back

Maibock beer is named for the month of May, "Mai" in German. A 6-pack of Fest Bock a rich, malty flavor with a full body. This beer pairs well with spicy Cajun dishes, nutty cheeses, fried foods, and rich chocolate desserts--sounds like the perfect meal!

Fest Bock is now on tap, plus available to go in 6-pack bottles.

The label for Fest Bock beer features a black background with gold and white text. At the top, it says "NORTHWOOD IOWA". The main brand name "WORTH" is in a large, stylized font, with "BREWING CO." underneath. A central green banner with a white diamond pattern contains the text "FEST BOCK" and "HELLES BOCK LAGER". Below this, it says "SPECIAL SS SERIES" and "1 PINT, 6 FL. OZ.". On the left, there is a section titled "INSIDE" with icons for Grain, Water, Hops, and Yeast. Below this is a paragraph of text describing the beer. At the bottom left, it lists "%Alc/Vol 6.5" and "IBU 26". On the right, there is a "GOVERNMENT WARNING" section, a "BREWERS ASSOCIATION" logo, and a barcode.

Worth Brewing Company in Northwood held its annual Spring BockFest Saturday April 26.

Fest Bock Maibock was the biggest seller of the day! Peter served up regular brats with his delicious red cabbage and German potato salad and Nikkole's Black Forest Cupcakes. Guests were able to enjoy time poking beers out by the fire, while Bill, Lee and Brian C of "Pete's Pool Hall" shared their folk/bluegrass music with the crowd.

Hermanator on tap May 6!

Named after a surly cat, our specialty, this fan favorite is a strong German-style wheatbier in the weizenbock style. A strong, malty, fruity, wheat-based ale combining the best malt and yeast flavors of a weissbier (pale or dark) with the malty-rich flavor, strength, and body of a Dunkles Bock or Doppelbock.

Style: Weizenbock
OG: 1073
ABV: 7.5%
IBU: 19
Color: 10

Women of Worth created these adorable sets of pink boots planters for a silent auction this past Bock Fest weekend. Proceeds from this event will be donated to the Pink Boots Society.

This Cold IPA was brewed by Big Grove for the 8th annual Pink Boots Collaboration Brew Day® and uses this year's Pink Boots hop blend of Krush™, Simcoe®, Mosaic®, and Chinook (from Yakima Chief Hops) and Pink Boots Pilsen malt (from Country Malt Group).

Limited quantities of the 8th annual Pink Boots Collaboration Brew are available for sale. Worth Brewing grabbed a chance to order some on keg and in cans. Proceeds from the sale of this beer will support scholarships for the Pink Boots mission.

Pink Boots Collaboration Brew Day is an international celebration of women and non-binary individuals in the fermented/alcoholic beverage industry to recognize the impact they have on our industry. Each year, registered teams brew a beer and donate a portion of the beer's proceeds to help fund scholarships supporting the Pink Boots' mission to assist, inspire, and encourage the professional development and education of their members.
