## Worth Brewing For Sale!

We've been in business since 2007 because of loyal customers like you and we hope to keep going in Northwood for a long time. But as I've hit retirement age I feel the business needs more energy, ambition and talent to survive in a constantly changing market.

Worth Brewing could be a tremendous opportunity for someone to step in with or without brewing experience and run a successful business (but I would say that, right?). I would love to continue brewing and training a future owner while I take more time to enjoy home and the people around me.

Everything is for sale to an individual who wants to continue the business: Brewery, Tap Room, kitchens, Ballroom, Apartment/AirBnB and Office. The building is self supporting with apartment income and the brewery includes training or management. The owners may be open to financing and ownership options.

My goal is to ease out of the business by September 2026, but I know finding an interested party in a small town may be a challenge. Serious inquiries please email [brewer@worthbrewing.com](mailto:brewer@worthbrewing.com) for further information.

Thanks again, Peter Ausenhus

## Beehive Ballroom

Nestled above the taproom on the second floor of Worth Brewing is the Beehive Ballroom and speakeasy. This venue has been restored back to its 1896 glory with the original tin ceilings, Douglas Fir floor, stage and fixtures. We worked to keep the ballroom as original as possible and add modern amenities in order to open it for public and private events. When you reserve the Ballroom you will be able to use the entire facility to its fullest potential.

We are now accepting reservations for weddings, showers, birthdays, corporate meetings, reunions or any event where you

need a beautiful venue with great beer.
