Advertising on the Road

Nikkole stepped away from the taproom for the week to advertise Worth Brewing Co across the state of Iowa, riding on Ragbrai LII. Beginning in Orange City then traveling to Milford, Estherville, Forest City, Iowa Falls, Cedar Falls, Oelwein, and Guttenberg, it was a week filled with new adventures.

Following a handwritten sign in Orange City, Nikkole navigated down an alley with various cardboard signs guiding the way to a new underground speakeasy. Verborgen Kamer served various craft beers in their air-conditioned basement dwelling.

Mug club members Kevin & Betty, who live in Forest City were gracious enough to allow use of their shower, laundry, and a home cooked meal on the third night of the trip.

Ragbrai routes are marked by 1-2 daily locations for the Iowa Craft Beer Tent. Although Worth Brewing beers did not appear in the tent this year, the Worth Brewing Company brand was recognized by many folks.

Several beers were sampled over the course of the week (for research purposes) however Nikkole found none that could compare to her beloved Field Trip IPA from back home at Worth. The tastiest non-alcoholic beverage she found was Pickle Lemonade in Primghar!

Beehive Ballroom

Nestled above the taproom on the second floor of Worth Brewing is the Beehive Ballroom and speakeasy. This venue has been restored back to its 1896 glory with the original tin ceilings, Douglas Fir floor, stage and fixtures. We worked to keep the ballroom as original as possible and add modern amenities in order to open it for public and private events. When you reserve the Ballroom you will be able to use the entire facility to its fullest potential.

We are now accepting reservations for weddings, showers, birthdays, corporate meetings, reunions or any event where you need a beautiful venue with great beer.
