Czech out our new lager!

Mugs shown here with one of the classic Czech style pours, known as Hladinka.

With three fingers of foam on top of the lager, your taste buds will experience both sweetness and bitterness that is perfectly balanced.

Worth Brewing Adds Czech Dark Lager

Lager fans continue to enjoy the crisp, clean finish of lagers, while many find the dark lagers to be most satisfying.

To understand Czech dark lager, we first have to understand how Czech beer (pivo) is categorized. Czechs describe their beer by color and strength in degrees Plato original extract (starting gravity). The different strengths are also grouped into three broad gravity classes: Draft, lager, and special.

The caramel and roast lend a malt flavor, spicy hop aroma and slight bitterness bring balance with a smooth and mouth-filling, yet refreshing finish.

Fine & Dandy Summer Shandy

This BishopWeizen German wheat beer would be perfect by itself, or mix it up into a Summer Shandy with a touch of lemonade.

Beehive Ballroom

Nestled above the taproom on the second floor of Worth Brewing is the Beehive Ballroom and speakeasy. This venue has been restored back to its 1896 glory with the original tin ceilings, Douglas Fir floor, stage and fixtures. We worked to keep the ballroom as original as possible and add modern amenities

in order to open it for public and private events. When you reserve the Ballroom you will be able to use the entire facility to its fullest potential.

We are now accepting reservations for weddings, showers, birthdays, corporate meetings, reunions or any event where you need a beautiful venue with great beer.
