Quick Beer Menu

If It's Not Hand Crafted, It's Not Worth Brewing

Dark Beer Season

Everybody Stout!

According to BJCP, Guinness is made using roasted barley, flaked barley, and pale malt, but other breweries don't necessarily use roasted barley; they can use chocolate or other dark and specialty malts. Snug Stout certainly holds its own. Medium bodied with a silky finish. Light roast, East Kent Goldings hops. A perfect choice for the season.

English Stout; OG 1056; ABV 6.2%; IBU 32; black

Things just Scotch better!

Mr. Chesterfield!

Each autumn, Mr. C, returns for a visit to the taproom, warming our hearts. Smooth, rich and malty. A brown beer for the winter.

Style: Strong Scotch Ale
ABV: 7.9%
IBU: 26
Color: Brown

Czech it out!

Czech Dark Lager

To understand Czech dark lager, we first have to understand how Czech beer (pivo) is categorized. Czechs describe their beer by color and strength in degrees Plato original extract (starting gravity). The different strengths are also grouped into three broad gravity classes: Draft, lager, and special. The caramel and roast lend a malt flavor, spicy hop aroma and slight bitterness bring balance with a smooth and mouth-filling, yet refreshing finish.

Walk on the Mild Side

Sunderland Mild

Light bodied, dark, malt forward ale. Served on English Cask.

OG: 1033

ABV: 2.9

IBU: 22
