Meet "Special K": The Kölsch That Couldn't Follow the Rules

ABV 5.9% IBU 16

Sometimes things don't go according to plan. In this case, that's because **Brendan was too efficient.**

We set out to brew a classic Kölsch—light, crisp, refreshing, and easy-drinking. But somewhere between the grain and the glass, our brewers got a little too good at extracting sugars. Brendan, who is not typically accused of being overly efficient at anything, somehow managed to create a beer with more fermentable sugars than expected. The yeast happily went to work, and before we knew it, our Kölsch had wandered outside the style guidelines and into stronger territory.

Can we legally call it a Kölsch? Not really.
Can we call it delicious? Absolutely.

So we're introducing "Special K"—inspired by a Kölsch, but packing a little more punch than its well-behaved German cousin.

Now we need your help. If you're a Kölsch fan, come give Special K a try and tell us what you think. Is it still close enough to scratch that Kölsch itch? Is it something entirely its own? We want to hear your verdict.

Stop by the taproom, grab a pint of Special K, and help us determine whether Brendan's accidental efficiency deserves praise... or closer supervision.

Boho Pilsner

Using all Bohemian grain, hops and yeast culture, this is the classic Czech Pilsner, rich and balanced malt and hop complexity.

Get Your Groove On

Groovin' with Grace

Tuesday, June 30th

6:30pm social hour

7pm dancing begins

Don't Sit This Dance Out!

Wedding season is here, and whether you're hoping to impress on the dance floor, avoid awkwardly swaying in the corner, or simply want an excuse to move your body and have some fun, we've got you covered!

Join us for the second night of line dancing lessons in the Beehive Ballroom with Grace from Groovin' with Grace (if you missed the first event, no worries, each event is different dances, no experience required). Last month was an absolute blast as dancers of all ages, abilities, and experience levels came together to learn four dances—a mix of classic favorites and newer crowd-pleasers. By the end of the night, new friendships were formed, and there was plenty of laughter mixed in with the footwork. Trust us, this was an instant success and we will be bringing Grace back as often as we can - so keep coming and bringing your friends!

We're back in June to learn even more dances for just \$10 per person! We'll be releasing our set list soon... or you can embrace the mystery and come be surprised. Either way, there's something for everybody.

Come early for a social hour at 6:30 PM to grab a beer, our featured dance-night cocktail or mocktail, and get into the dancing spirit. Lessons begin at 6:30 PM, with dancing starting around 7:00 PM. We'll dance for about an hour, get in some sneaky exercise, and shake off whatever stress the week has thrown our way.

No partner? No problem. Two left feet? We've seen worse. Experienced dancer? We'd love to have you. If you can smile, laugh, and move a little, you're qualified. Ann will be there and be your instant bestie and also make sure you are having fun and not the worst dancer out there :).

So dust off those dancing shoes (or just wear your comfortable ones) and join us for a night of music, movement, and fun. Your future wedding-dance-floor self will thank you.
